# PRINCE HALL MASONS

# SEEKING LIGHT

## PRINCE HALL MASONS!

Whether you are seeking more light in Masonry or you have light to impart, we have much to offer. We are Prince Hall Masons who have similar goals as yourself.

- Expand your knowledge of Masonic History.

- Have your Masonic research published in our international magazine, the finest available.

It all culminates at the annual convention—a full weekend of Masonic seminars and fraternal interchange held on the weekend nearest March 6th (the anniversary date of the initiation of Prince Hall and fourteen black men into the Masonic Order). This weekend of Masonic seminars is one of the best-kept secrets in Freemasonry!

**We are the Phylaxis Society** (pronounced “fill axe sis”) and we are international in scope, with members all over the globe. We are the largest assembly of Prince Hall Masons dedicated to Masonic research in the world, and we want every Prince Hall Mason to travel with us—all who are seeking and imparting Masonic Light.
